This activity is joint sponsored by Salem Health & Lines for Life with additional support from Bridgeway Recovery Services, Mid-Valley Behavioral Care Network, Santiam Hospital, & Willamette Valley Community Health

Additional Planning Members include representatives from Aumsville Fire Department, Department of Human Services & Oregon Health Authority, Kaiser Permanente, Marion County Health, Marion-Polk County Medical Society, Physicians Medical Center in McMinnville, Salem Fire Department, Salem Police Department, Yamhill County Public Health Department.

Learning Objectives

After attending this educational activity participants will be able to:

1. Comprehend the problem of prescription drug abuse statewide and regionally;
2. Define the effectiveness of non-opioid therapies to manage long term non-cancer pain;
3. Define the components of a comprehensive approach to treating patients with opioid use disorders;
4. Recognize the importance of safely disposing left over medications; and
5. Recognize the need to co-prescribe Naloxone for patients at high risk of opioid overdose.

Accreditation

Salem Health is accredited by the Oregon Medical Association to sponsor continuing medical education for physicians.

Salem Health designates this live activity for a maximum of 7.5 hour(s) *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in this activity.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Application for CME credit has been filed with the Board of Pharmacy. Determination of credit is pending.

Target Audience: Family Medicine, Emergency Medicine, Surgeons, Dentists, Pharmacists, Healthcare Systems, Treatment Providers, Educators, Law Enforcement, Public Health, Prevention Organizations and all other interested professionals.
